HOPE AND LOVE OUTREACH

Hope and Love are two things that every child needs. LampLight Theatre/ Vision Productions, Inc. has been offering outreach to hurting and “needy” children for years. Now, you can receive the same blessing by partnering with us to offer hope and love to “at risk” and underprivileged children and their families. We do this through Summer Camps, “Back-to-School” Kids’ Explosion, and our “Comfort & Joy”

Christmas party where we provide Christmas gifts and food packages for students and families.
